Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Those who have used it have invariably spoken of it in the highest terms of praise. Lameness, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this Liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this Liniment. For sale by all dealers.
